SPRING OFFERINGS
from
PARAMOUNT
JUNE 1963

When you decide to sell, it becomes serious business!

Chances are you have spent a number of enjoyable years assembling your coin collection. During this time you probably attended numerous coin shows and experienced the fun of showing your coins to friends and fellow collectors. But what happens when you decide to sell? That is the time you must be serious and deliberate. In the past, if you made a mistake when buying, there was always a tomorrow when you could make up for it. But there is no tomorrow to correct the mistake of selling too cheaply because once sold, your collection is gone forever.

Paramount is always interested in acquiring choice-quality numismatic material and will pay top dollar to get it. But equally important is the fact that we don't pressure the seller into making a hasty decision whether or not to accept our offer. Instead, the seller is given the opportunity to leisurely make up his own mind in the privacy of his home.

Too good to be true? Then call toll free 1-800-543-2192 (Ohio residents call 513-836-8641) and we will be happy to explain the safe, unpressured way to sell to Paramount. Besides, after spending years assembling your collection, what's a five minute phone call?

The Kennedy Collection

Though the Kennedy half dollar has been issued for a relatively short period, it has experienced frequent change. For example, in 1964, the Kennedy half dollar was composed of 90% silver. The following year, its silver content was reduced to 40%, and finally in 1971, all silver was removed. In addition, the design of the Kennedy half dollar was changed for two years in celebration of the bicentennial.

We currently have 44-coin sets available for $150.00 each. These sets are mounted in a deluxe bookshelf style album and will include a Mint State example of every half dollar issued for circulation from 1964 through 1980. Also included will be 14 popular proof issues dated from 1964 to 1980.** Besides containing the half dollar from special mint sets for the years 1964, 1966 and 1967, each set contains the scarce 1970-D. This coin was originally only available as part of the 1970 mint set, and like the proof-only issues, none were released for circulation.
